Photography, comics and editorial design, role-playing games, archery (longbow), the outdoors

Matteo Donati

Marketing, IT and tools built with AI

I've worked in marketing and IT since the start of my career: brands, campaigns, websites, tools and systems. I hold a master's in Digital Strategy and Social Media Communication, and in recent years I've added AI to how I work: I design and build complete web apps, from a personal finance tracker to a PDF quote generator. I like to understand a problem, pick the right tool and make it work.

EXPERIENCE

Partner, Head of Marketing and IT

Donati Trasporti & Servizi srl · since 2007

- Running marketing since day one: brand identity, web and social campaigns, websites and digital tools.
- Running IT: the systems and platforms the company works on.
- One of the company's equal partners.

Technical Director

Donati Trasporti & Servizi srl · 2007 – 2014

- Technical manager for road passenger transport, holding the certificate of professional competence.
- Fleet, safety, fire prevention, first aid and staff training.

Digital tools built with AI

Personal projects · 2026

- **Personal Finance:** an app for accounts, transactions, budgets and investments, with forecasts and goals.
- **PreventivoPDF:** a generator for quotes, pro forma invoices and receipts in PDF, free and with no account.
- **Ascension Gate:** a Game Master tool with random dungeon sections and campaign notes.
- **Japan 2027:** an interactive travel dossier with maps, routes, hotels and budget.

Scout leader, in charge of facilities and events

AGESCI, Rosignano Solvay · volunteer

Organising camps and events for the over-16 group. Civic education.

Founding member and Vice President

Rotaract Club Rosignano Solvay · volunteer

Founding and leading the youth service club: local projects and leadership training.

IN SHORT

Marketing and IT by trade, building apps with AI by passion.

ANTHROPIC COURSE

Learning path on using Claude, in progress.

EDUCATION AND TRAINING

- **In progress:** Anthropic learning path on using Claude · German and Japanese (basic level)
- Regular professional updates and required workplace training
- **2014** · Wall Street English, advanced English course · AGESCI National Route, San Rossore
- **2013** · Public speaking and non-verbal communication · RYLA (Rotary Youth Leadership Award)
- **2012** · Online master's in Digital Strategy & Social Media Communication · Photoshop: retouching for the web
- **2011** · Web marketing and performance marketing (Il Sole 24 Ore) · Workplace safety, fire prevention, first aid
- **2007** · Certificate of professional competence for road passenger transport (Province of Florence)

SKILLS IN DETAIL

Marketing and brand

Digital strategy, brand creation and visual identity, web and social campaigns, SEO/SEM and performance marketing.

IT and systems

Running the office IT: Microsoft Office, Apple devices, Google Workspace, cloud platforms and WordPress sites.

Building with AI

I turn an idea into a working app with Claude and other tools: I plan, write, test and publish.

Design and content

Adobe, Affinity and Canva for graphics, layout, photo retouching and video editing.

Data and advertising

Google Ads and Google Analytics to measure campaigns and improve them based on their results.

People and community

Leading groups and events (AGESCI), a service club (Rotaract), leadership and public speaking.
